New Year New Classes

It’s a new year and we are starting it out with a bang! Our schedule is full of clubs and classes for you to try. We have some of the old favorites, we’ve brought back some favorites, and we’ve added some new teachers.

Michele Gilbert, who is one of our new teachers, teaches painting on fabric. To the left is a picture of a new pattern she has designed for our class. Wouldn’t it make a beautiful wall hanging? Michele teaches different techniques in her class and makes it so easy and fun! When you take one of Michele’s classes you get a pre quilted piece plus all the paints, fabric mediums, brushes and supplies you need to do the piece. All you need to do is come and have fun!

Another new teacher is Karen Lambdin. She will be teaching machine quilting. She has come highly recommended to us and we are so excited to welcome her to the Memories family! Karen is going to teach you how to use your domestic sewing machine to do free motion quilting. You will learn basting, marking, and stitch-in-the-ditch all in preparation for free motion quilting. The free motion segment of the class will include instruction on free motion quilting with stencils and quilting fill designs with no marking. If you want to be able to quilt your own quilts on your domestic machine you will want to take this class!

We are also pleased to add Cathy Smith to our new teacher line up. Cathy designs quilts for Moda fabrics. She will be teaching three of her patterns. One quilt is great for beginners, the other two are well suited to the intermediate quilter. All are wonderful, fresh designs that sew up quickly.

We are thrilled to welcome back Brenda Asmus. If you haven’t taken a class from her before, you will find she is an excellent teacher and a lot of fun! She is going to start up a Marti and Me club on the 2nd Thursday of every month. Brenda will

BOM Regulations

When you commit to a BOM program, you are guaranteed a block kit each month. Block kits are generally available by the 10th of each month. When you sign up we will record your credit or debit card number. These numbers are kept in a secure location. If you have not picked up your block by the 15th of the month we will charge it to your card and ship it to you (shipping charges will be applied). Occasionally we may have to make a substitution on fabric. If this occurs, the substitute fabric will be of comparable quality and will blend with the rest of the quilt.

We reserve the right to substitute fabric in our kits and Block of the Months when necessary. We thank you for your understanding.
